Ministry of Industry, Energy and Environment of the Government of Castile-La Mancha, an autonomous community of Spain. Castile-La Mancha is bordered by Castile and León, Madrid, Aragon, Valencia, Murcia, Andalusia, and Extremadura. It is one of the most sparsely populated of Spain's autonomous communities. Its capital city is Toledo, and its most populated city is Albacete. Castile-La Mancha was formerly grouped with the province of Madrid into New Castile ("Castilla la Nueva"), but with the advent of the modern Spanish system of semi-autonomous regions ("las autonomías"), it was separated due to great demographic disparity between the capital and the remaining New-Castilian provinces.
